

✨ Refinishing Guide – New To You Redo ✨

We're so glad you stopped by! Here's a quick look at how our refinishing process works so you'll know exactly what to expect.

What's Included

- We exclusively use Fusion Mineral Paint for a beautiful, long-lasting finish.
- Every painted surface gets a semi-gloss, water-based topcoat for extra durability.
- Painting quotes also include a hardware color change if you'd like to keep your original pulls or knobs.

Finalizing Your Quote

Since you're here with your piece or photos, we'll work together to confirm:

- Your paint color + style
- Any special details (stained tops, distressing, or new hardware holes)
- The measurements of your piece

 Shop minimum for refinishing: \$120

 Note: We can't give a quote until we know exactly what you'd like done.

Moving Into Our Workflow

Here's how to get your project rolling:

1. Pick Your Design – Choose your color + style today (easy peasy!).
2. Place a Deposit – A 50% deposit is required at or before drop-off.
3. Turnaround Time – Projects are usually ready in about 2 to 2½ weeks.

 Without a design + deposit, pieces are subject to a \$10 per day storage fee.

Choosing Your Style

- Every finished piece in our store has a tag that lists its paint color and style.
- If the piece has a stained top, the stain name is also listed on the tag.

✨ DIY Style Choice: Not sure about a color? Take a walk around the showroom — let our tagged pieces be your inspiration board!

✨ Need Extra Help? We offer in-store design consultations for \$60 per 30 minutes. This is credited toward your project if you move forward.

 If you'd prefer not to pay for a consultation, no worries — just use the tags + showroom pieces to decide. We'll need that choice before we can give you a quote.

Next Steps
